RE: Real Property Tax Exemption Application

Property ID: 04-2428-34-3-02-37-0000

Dear Applicant:

An application for property tax exemption has been received.

The department has received your application for property tax exemption for 2016 and we thank you for your response.

However, because your property is considered common area or parkland and you do not provide potable water, the application was not necessary. This application will be considered closed.

We appreciate your response and will update our records.

If you have any questions, please feel free to contact me at 406-444-4616.

Sincerely,
